Education

Maharaja Agrasen Institute of Technology (MAIT), Delhi

B.Tech in Electronics & Communication Engineering

7.2 CGPA

Experience

Baxy Official, Gurugram

June 2025 - August 2025

Web Development Intern

- Engineered the front-end architecture of the official company website, ensuring a modern, scalable, and responsive user interface.
- Collaborated on cross-functional system designs to optimize digital presence and streamline internal company tools.

Fiverr

June 2022 - August 2023

Video Editor Freelancer

- Delivered custom video editing and post-production solutions utilizing Adobe Premiere Pro, ensuring high visual quality and 100% client satisfaction.
- Produced tailored marketing and promotional multimedia content strategically aligned with diverse brand identities across multiple freelance projects.

Projects

SK Texture Premium Catalogue

- Designed a premium A4 vertical catalogue showcasing exterior texture paints, applying advanced UI/UX principles to deliver a highly professional and visually engaging presentation.

Interior Design Web Application

- Developed a highly responsive web application for an interior design company utilizing React.js, HTML, CSS, JavaScript, and Tailwind CSS.
- Implemented modern UI/UX features, service pages, and contact forms, significantly optimizing performance across both desktop and mobile devices.

Internal Staff Management Portal

- Built a secure internal staff management web application designed to efficiently organize, store, and retrieve critical company data.

Baxy Official Front-End Model

- Created a high-fidelity front-end design model for the Baxy Official website, strictly adhering to industry-standard UI/UX best practices.
